  • Implemented a college-wide three-year computer replacement cycle
Accomplishments 2010/2011

• **Institute for Translational Research**
  - Managed grants: $470,000
  - Established restricted funds: $80,000
  - Secured spendable funds: $70,000

• **Established Affiliation Agreements with Anchor Partners**
  - Saint Francis Hospital and Medical Center
    - $50,000 RFP (projects in progress)
  - Hartford Public Schools system
    - $50,000 RFP (call during Fall, 2011)
Strategically into 2011/2012

- Solidify and expand research center initiatives
- Strengthen anchor and other community affiliations
- Examine curricula vis-à-vis relevance to community

ENHP will become a national model for integrating education and health science with community engagement
excellence through relevance
