  • Karen Case (Chair, effective FY 2014)
• Retirements
  • Debbie Rau, Office Coordinator, Department of Education
  • Marlene Hall, Director of Communication & Recruitment
We dream.

ENHP will become a national model for integrating health and education sciences with community engagement.
Into 2014/2015: The 2013–2016 Strategic Plan

We plan.

ENHP will become a national model for integrating health and education sciences with community engagement

reputation — growth in synergetic research and academic programs

research — translation between theory and practice

relevance — demonstration of community impact
We act.

Into 2014/2015: The Implementation

ENHP will become a national model for integrating health and education sciences with community engagement

- explore
- research — translation between theory and practice
- engage
- relevance — demonstration of community impact
- excel
- reputation — growth in synergetic research and academic programs
excellence through relevance
explore. engage. excel.
