Who Needs Personal Accident Insurance?

You do. Accident insurance can help you pay expenses if you or your spouse is seriously injured or killed in a covered accident. This insurance can help ensure that tragedy doesn't take both an emotional and a financial toll on your family.

By purchasing this insurance through your employer, you benefit from:

- Affordable group rates
- Convenient payroll deduction

Who Is Eligible For Coverage?

You — You are eligible for coverage if you are an active, regular, full-time or regular part-time employee of the sponsoring employer.

Your Family — You may elect to cover your lawful spouse under age 70, and your unmarried dependent children who are at least 14 days old and under age 19 (or under age 25 if they are full-time students). Children must be dependent upon you for support and maintenance and must reside with you.

No one may be covered more than once under this plan. If covered as an employee, you cannot also be covered as a dependent.

How Much Coverage Can You Buy?

You — You may select \$10,000, \$50,000, \$100,000, \$150,000, \$200,000 or \$300,000 of coverage at an affordable price.

Your Family — Your spouse's benefit amount will be 50% of yours, or 60% if you have no dependent children. Each of your covered children's benefit amount will be 10% of yours, or 15% if you are a single parent.

Each family member's coverage is a percentage of the benefit amount you select. It will depend on who your insured family members are at the time of a covered accidental loss.

You may need to request changes to your existing coverage if, in the future, you no longer have dependents who qualify for coverage. We will refund premium if you do not notify us of this and it is determined at the time of a claim that premium has been overpaid.

Your Monthly Cost

Your cost will depend on the benefit amount and coverage option you select from the chart below

Your Benefit Amount	Monthly Cost for You and Your Family	Monthly Cost for You Only
\$300,000	\$17.10	\$9.00
200,000	11.40	6.00
150,000	8.55	4.50
100,000	5.70	3.00
50,000	2.85	1.50
10,000	0.57	0.30

Costs are subject to change.

Spouse and children coverages are a percentage of your benefit amount.

Benefit amounts over \$150,000 cannot be greater than 10 times your annual earnings

Benefit Reductions

When you reach age 70, your benefits will be reduced to 65% of the benefit amount selected; at age 75, 45%; at age 80, 30%, and at age 85, 15%. If you elect coverage for your family members, Accidental Death & Dismemberment benefits for your insured family members will be based on your selected benefit amount. Other plan benefits based on your selected benefit amount will be determined by this reduction schedule. Coverage for your spouse ends when he or she reaches age 70. These reductions also apply if you elect coverage after age 69.

A Valuable Combination of Benefits

Personal Accident Insurance helps protect you against losses due to accidents. A covered accident is a sudden unforeseeable event that results in injury or death and that occurs while coverage is in force. We will pay the full benefit amount in the event of accidental loss of life occurring within 365 days of a covered accident. To help survivors of severe accidents adjust to new living circumstances, we will pay benefits for dismemberment, loss of eyesight, speech or hearing according to the following chart.

If, within 365 days of a covered accident, bodily injuries result in:	We will pay this % of the benefit amount:
Loss of life, or Loss of two hands, two feet, or sight in both eyes, or Loss of one hand and one foot, or Loss of one hand and sight in one eye, or Loss of one foot and sight in one eye, or Loss of speech and hearing in both ears	100%
Loss of hand, foot or sight in one eye, or Loss of speech, or Loss of hearing in both ears	50%
Loss of thumb and index finger of the same hand	25%

If the same accident causes more than one of these losses, we will pay only one amount, but it will be the largest amount that applies.

Loss of a hand or foot means complete severance through or above the wrist or ankle joint. Loss of sight means the total, permanent loss of sight of the eye. The loss of sight must be irrecoverable by natural, surgical or artificial means. Loss of speech means total, permanent and irrecoverable loss of audible communication. Loss of hearing means total and permanent loss of hearing in both ears which cannot be corrected by any hearing aid or device. Loss of a thumb and index finger means complete severance through or above the metacarpophalangeal joints (the joints between the fingers and the hand). California Residents: Loss of a thumb and index finger means complete severance of at least one whole phalanx (a bone of the finger) of each. South Carolina Residents: Loss of four whole fingers from one hand means the loss of one hand. Severance means complete separation and dismemberment of the limb from the body.

Additional Benefits

For College Education

The education benefit can give employees who sign up for coverage for their family members extra peace of mind if their children are either in college or college-bound.

If you or your insured spouse die in a covered accident, we will pay an extra benefit for each insured child who is enrolled in college or is in the 12th grade and enrolls in college within one year of the accident. To help pay college expenses, we will increase your benefit amount by 2% (up to \$2,500) for each qualifying child. This benefit is payable each year for four consecutive years as long as your children continue their college education.

If there is no qualifying child, we will pay an additional \$1,000 to the insured's beneficiary.

For Wearing a Seatbelt

This benefit is payable if an insured person dies as a result of injuries sustained in a covered accident while driving or riding in a private passenger car* equipped with seatbelts. If that person was wearing a properly fastened seatbelt (or if the insured is a child, a child restraint as defined by state law), that person's death benefit will be increased by 10%, but not less than \$1,000 nor by more than \$10,000.

If it is unclear whether the insured had been wearing the required protection, the plan will pay a benefit of \$1,000. No benefit is payable if the official accident report is either not provided to us or it indicates that no seatbelt was worn.

** A validly registered four-wheel private passenger (or policyholder-owned) car, station wagon, jeep, pickup truck, or van-type car.*

What Is Not Covered

Plan benefits are not payable if a loss results, directly or indirectly, from or is caused by, self-inflicted injuries or suicide; any felony committed by the insured; any act of war, declared or undeclared; sickness, disease, physical or mental impairment or medical or surgical treatment thereof, or bacterial or viral infection, regardless of how contracted. (This does not include bacterial infection that is the natural and foreseeable result of an accidental external cut or wound, or accidental food poisoning.)

Benefits are also not payable if the loss occurs while you are on full-time active duty for more than 30 days in the armed forces; traveling in an experimental aircraft or one designed to be used in outer space; traveling in an aircraft that is being operated by or for a military authority other than U.S. Military Airlift Command, or similar foreign service; hang gliding; parachuting, except for self-preservation; piloting or serving as a crew member in any aircraft; and taking a flying lesson in any aircraft.

When Your Coverage Begins and Ends

Current employees can sign up during this enrollment period. New employees have 31 days from the date they become eligible to enroll. Coverage becomes effective on the first of the month after receipt of your application. Provided the application has been received and the appropriate premium paid, dependent coverage will start when your coverage begins.

If you are not actively at work, the effective date of your insurance will be deferred until you are actively at work. If your spouse is not regularly performing the duties of his/her occupation, or if your spouse or children are unable to engage in all the usual duties of a person of like age and sex, the effective date of their insurance will be deferred until they return to work or resume their usual duties.

Your coverage will continue as long as you remain an eligible employee, pay your premium when due, do not serve more than 30 days' full-time active duty in any Armed Forces, and we agree with your employer to continue this group policy. For your spouse and dependent children, coverage ends when your coverage terminates, when their premiums are not paid, or when he or she is no longer eligible, whichever occurs first.

Changing from the Group Plan to Individual Coverage

If, before you reach age 70, this group coverage ends for any reason except non-payment of premium, you can convert to an individual policy. No medical certification is needed. To continue coverage, you must apply for the conversion policy and pay the first premium in effect for your age and occupation within 31 days after your group coverage ends. Family members may convert their coverage as long as they have not reached the maximum age limitation. Converted policies are subject to certain benefits and limits as outlined in your certificate, should you become insured under the plan.
