Coverage for You

Long Term Disability Coverage
The plan may pay to you a portion of your income earnings as a monthly benefit for a period of long term disability caused by an illness or injury that occurs while your coverage is in effect.

Coverage under this plan is occupational and non-occupational. Occupational injuries and illnesses and non-occupational injuries and illnesses are covered. Conditions that are related to pregnancy may be covered under this plan.

Please refer to the Long Term Disability section for more details about your coverage.
Eligibility, Enrollment and Effective Date of Your Coverage

Throughout this section you will find information on who can be covered under the plan, how to enroll and what to do when there is a change in your life that affects coverage. In this section, “you”, "your" and "yours" means the employee to whom this Booklet-Certificate is issued and whose insurance is in force under the terms of this group insurance policy.

Who Can Be Covered

Your employer determines the criteria that are used to define the eligible class for coverage under this plan. Such criteria are based solely upon the conditions related to your employment. Aetna will rely upon the representation of the employer as to your eligibility for coverage under this plan and as to any fact concerning such eligibility.

Employees

You are eligible for coverage under this plan if you are actively at work and:

- You are in an eligible class, as defined below;
- You have completed any probationary period required by the policyholder; and
- You have reached your eligibility date.

Determining if You Are in an Eligible Class

You are in an eligible class if:

- You are a regular full-time employee, as defined by your employer.

In addition, to be in an eligible class you must be:

- scheduled to work on a regular basis at least 35 hours per week during your Employer’s work week and a minimum of 40 weeks per year; and
- working within the United States.

Determining When You Become Eligible

You become eligible for the plan on your eligibility date, which is determined as follows.

On the Effective Date of the Plan

If you are in an eligible class on the effective date of this plan, your coverage eligibility date is the effective date of the plan.

After the Effective Date of the Plan

If you are hired after the effective date of this plan, your coverage eligibility date is the date you are hired.

If you enter an eligible class after the effective date of this plan, your coverage eligibility date is the date you enter the eligible class.
How and When to Enroll (GR-9N 29-015-02) (GR-9N 29-010-02)

Enrollment
You will be provided with plan benefit and enrollment information when you first become eligible to enroll. You will need to enroll in a manner determined by Aetna and your employer. To complete the enrollment process, you will need to provide all requested information.

When Your Coverage Begins (GR-9N 29-025-02) (GR-9N 29-015-02)

Your Effective Date of Coverage
Your coverage takes effect on:

- The date you are eligible for coverage.

Active Work Rule:
If you happen to be ill or injured and away from work on the date your coverage would take effect, the coverage will not take effect until you return to active full-time work for one full day.

This rule also applies to an increase in your coverage.
The disability plan provides you with a source of income if you should become disabled because of an illness, injury or disabling pregnancy-related condition while covered under this plan.

**Long Term Disability (LTD) Coverage**

Long term disability (LTD) coverage will pay a monthly benefit if you are disabled and unable to work because of:

- An illness;
- An injury; or
- A disabling pregnancy-related condition.

**Long Term Disability Benefit Eligibility**

You will be considered disabled while covered under this Long Term Disability (LTD) Plan on the first day that you are disabled as a direct result of a significant change in your physical or mental conditions and you meet all of the following requirements:

- You must be covered by the plan at the time you become disabled; and
- You must be under the regular care of a physician. You will be considered under the care of a physician up to 31 days before you have been seen and treated in person by a physician for the illness, injury or pregnancy-related condition that caused the disability; and
- You must be disabled by the illness, injury, or disabling pregnancy-related condition as determined by Aetna (see Test of Disability).

**When Benefits Are Payable**

Once you meet the LTD test of disability, your long term disability benefits will be payable after the Elimination Period, if any, is over. No benefit is payable for or during the Elimination Period. The Elimination Period is the amount of time you must be disabled before benefits start. The Elimination Period is shown in the Schedule of Benefits.

Your Long Term Disability benefits will be payable for as long as your period of disability benefit eligibility continues but not beyond the end of the Maximum Monthly Benefit Period. The Elimination Period and the Maximum Monthly Benefit Period are shown in the Schedule of Benefits.

**Premium Waiver**

During your disability while benefits are payable:

- No premium payments will be required from your Employer.

**Premium Reinstatement**

If you are eligible to continue coverage, the employer's premium payments may be resumed on the first due date following the end of a period of disability during which premiums were waived.
Test of Disability (GR-9N 06-010 02)
From the date that you first became disabled and until monthly benefits are payable for 24 months you meet the test of disability on any day that:

- You cannot perform the material duties of your own occupation solely because of an illness, injury or disabling pregnancy-related condition; and
- Your earnings are 80% or less of your adjusted predisability earnings.

After the first 24 months of your disability that monthly benefits are payable, you meet the plan’s test of disability on any day you are unable to work at any reasonable occupation solely because of an illness, injury or disabling pregnancy-related condition.

Important Note
The loss of a professional or occupational license or certification that is required by your own occupation does not mean you meet the test of disability. You must meet the plan’s test of disability to be considered disabled.

Benefits Payable (GR-9N 06-015 02)
Benefits are paid on a monthly basis. The benefit amount is based on your predisability earnings, up to the maximum monthly benefit shown in the Schedule of Benefits.

To calculate your monthly long term disability benefit, multiply:

- Your Monthly predisability earnings; times
- The Benefit Percentage shown in the Schedule of Benefits.

The LTD benefit payable will be the lesser of:

- The monthly LTD benefit; and
- The maximum monthly benefit.

Any other income benefits you are eligible for may affect your benefits from this plan. The amount of the other income benefits will be subtracted from your monthly LTD benefit for which you are eligible. If the result is less than the minimum monthly benefit shown in the Schedule of Benefits, the plan will pay an amount equal to the minimum monthly benefit. Please refer to the Other Income Benefits section of this Booklet-Certificate for details as to which other income benefits may reduce your monthly LTD benefit.

Adjustments to Your Benefits If You Work While Disabled (GR-9N 06-020 02)
Your long term disability monthly benefit may be reduced if, while monthly benefits are payable, you receive income from:

- Your employer or any other employer, employment or self-employment; or
- Any occupation for compensation or profit;

which is more than 20% of your adjusted predisability earnings. The monthly benefit adjustment is calculated as follows:

During the first 12 months that you have such income, the benefit will be reduced only to the extent the sum of the amount of that income and the monthly benefit payable, without any reduction for other income benefits, exceeds 100% of your adjusted predisability earnings.

Thereafter,
The adjusted monthly benefit will be calculated by using the following formula:

\[(A \text{ divided by } B), \text{ times } C, \text{ where:}\]

\[A = \text{Your adjusted predisability earnings}, \text{ minus the income you receive while disabled}\]
\[B = \text{Your adjusted predisability earnings}\]
\[C = \text{The monthly benefit payable.}\]

Income means income you earn, while disabled and working, from your employer or any other employer. However, any income earned by working for another employer will be considered income only if you:

- Become employed after the date your disability started; or
- Increase the number of hours you work, or the number or type of duties you perform for another employer after the date of your disability started. In that event, only the amount of the income increase will be taken into consideration for the benefit adjustment.

**When Long Term Disability Benefit Eligibility Ends** *(GR-9N 06-025 02-CT)*

You will no longer be considered as disabled nor eligible for long term monthly benefits when the first of the following occurs:

- The date you no longer meet the LTD test of disability, as determined by Aetna.
- The date you are no longer under the regular care of a physician.
- The date Aetna finds you have withheld information about working, or being able to work, at a reasonable occupation.
- The date you fail to provide proof that you meet the LTD test of disability.
- The date you refused to be examined by or cooperate with an independent physician or a licensed and certified health care practitioner, as requested. Aetna has the right to examine and evaluate any person who is the basis of your claim at any reasonable time while your claim is pending or payable. The examination or evaluation will be done at Aetna’s expense.
- The date an independent medical exam report or functional capacity evaluation does not, in Aetna’s opinion, confirm that you are disabled.
- The date you reach the end of your Maximum Benefit Duration, as shown in the Schedule of Benefits.
- The date you are not receiving effective treatment for alcoholism or drug abuse, if your disability is caused (in whole or part) by alcoholism or drug abuse.
- The date you refuse to cooperate with or accept:
  - Changes to your work site or job process designed to suit your identified medical limitations; or
  - Adaptive equipment or devices designed to suit your identified medical limitations; which would allow you to work at your own occupation or a reasonable occupation (if you are receiving benefits for being unable to work any reasonable occupation) and provided that a physician agrees that such changes, adaptive devices or equipment suit your particular medical limitations.
- The date you refuse any treatment recommended by your attending physician that, in Aetna’s opinion, would cure, correct or limit your disability.
- The date your condition would permit you to:
  - Work; or
  - Increase the hours you work; or
  - Increase the number or type of duties you perform in your own occupation but you refuse to do so.
- The date of your death.
- The date after Aetna determines, and your physician agrees, that you can participate in an approved rehabilitation program and you refuse to do so.
Limitations Which Apply to Long Term Disability Coverage  
You will no longer be considered as disabled and eligible for long term monthly benefits after benefits have been payable for 24 months if it is determined that your disability is primarily caused by:

- A mental health or psychiatric condition, including physical manifestations of these conditions, but excluding conditions with demonstrable, structural brain damage; or
- Alcohol and/or drug abuse.

There are 2 exceptions to the above limitations if you are confined as an inpatient in a hospital or treatment facility for treatment of that condition at the end of such 24 months.

- If the inpatient confinement lasts less than 30 days, the disability will cease when you are no longer confined.
- If the inpatient confinement lasts 30 days or more, the disability may continue until 90 days after the date you have not been so continuously confined.

Important Note
The rules under If You Become Disabled Again do not apply beyond 24 months to disabilities subject to this Limitations Which Apply to Long Term Disability Coverage section.

If You Become Disabled Again (Successive Disabilities)

Once you are no longer disabled; and your monthly benefit payments have ended; any new disabilities will be treated separately. However, 2 or more separate disabilities will be deemed to be one disability; and only one Elimination Period will apply if your disability occurs again within 6 months or less of continuous active work from when the prior disability ended.

Aetna will resume its payments to you if your coverage has remained continuously in effect for the period of your temporary recovery. You will not need to satisfy a new Elimination Period.

If:

- Your disability ended;
- Benefits were not payable because you did not meet the elimination period; and
- Any disability occurs again after less than 15 days of continuous active work from when the prior disability ended

you will only need to satisfy the remainder of the elimination period in order to be considered eligible for benefits payments.

The first disability will not be included if it began while you were not covered under this LTD plan.

If you become eligible for coverage under any other group long term disability benefits plan carried or sponsored by your employer, this If You Become Disabled Again section will no longer apply to you.

Pre-existing Conditions

A pre-existing condition is an illness, injury or pregnancy-related conditions for which, during the 3 months before your coverage became effective:

- You were diagnosed or treated; or
- You received diagnostic or treatment services; or
- You took drugs that were prescribed or recommended by a physician.

The plan does not pay benefits for a disability that is caused, or contributed to, by a pre-existing condition, if the disability starts within the first 12 months after your coverage goes into effect.
Approved Rehabilitation Program (GR-9N 06-050-01)

Aetna has the right to evaluate you for participation in an approved rehabilitation program.

You may be required to participate in an approved rehabilitation program if:

- Aetna finds you able; and
- Your physician agrees with the program prior to the start date.

Benefits Available to You When You Participate in an Approved Rehabilitation Program

This Plan will pay for all of the services and supplies you need to participate in an approved rehabilitation program except those that you can be reimbursed by another payer, including government benefits programs. This includes:

Those for workplace modifications.

All services and supplies must be:
Approved in advance by Aetna.

During your active participation in an Aetna approved rehabilitation program, Aetna will increase the monthly benefit payable:

You will receive:
A 10% increase in the monthly benefit payable:
Less all applicable reductions for other income benefits.

For:
A period up to 6 consecutive months for all disabilities; and
To a maximum monthly increase of $500.

Other Income Benefits (GR-9N 06-055-02) (GR-9N 06-060 01)

Important Note
Please read this section carefully. It explains how and when other income benefits reduce your monthly LTD benefit. It is your responsibility to enroll or apply for benefits from other sources if you are eligible. See the Aetna Requires Proof of Other Income section for more information.
Other income benefits can affect the monthly benefit described in the long term disability coverage section. When calculating the benefit payable, other income benefits that you, your spouse, your children or your dependents are eligible for because of your disability or retirement are taken into consideration.

The other income benefits considered when your benefits payable are calculated are:

50% of any award given under The Jones Act or The Maritime Doctrine of Maintenance, Wages and Cure.

- Disability, retirement or unemployment benefits required or provided for by government law. This includes (but is not limited to):
  - Unemployment compensation benefits.
  - Temporary or permanent, partial or total, disability benefits under any workers' compensation law or similar law meant to compensate a worker for:
    - Loss of past and future wages;
    - Impaired earning capacity;
    - A lessened ability to compete for jobs;
    - Any permanent impairment; and
    - Any loss of bodily function or capacity.
  - Automobile no-fault wage replacement benefits required by law.
  - Benefits under the Federal Social Security Act, Railroad Retirement Act, Canada Pension Plan and Quebec Pension Plan.
  - Veteran's benefits.

- Statutory disability benefits

- Disability or unemployment benefits payable by either insured and uninsured plans:
  - As a result of employment by or association with your employer; or
  - As a result of your membership in, or association with, any group, association, union or other organization.

This includes both plans that are insured and those that are not.

- Unreduced retirement benefits for which you are (or may become) eligible under a group pension plan at age 62 or the plan's normal retirement age, whichever comes later. This applies only to the amount of the benefit that was paid by an employer.

- Retirement benefits you elect and receive under any group pension plan. This applies only to the amount of the benefit that was paid by an employer.

- Disability payments from under insured motorist (UIM), uninsured motorist coverage (UM), liability insurance or other sources for a disability caused by a third party. "Other sources" include (but are not limited to) damages or a settlement received through legal action.

- Disability benefits under any group mortgage or group credit disability plan.

- Disability benefits from an accumulated sick time or salary continuation program, provided they are part of an established group plan maintained by your Employer for the benefit of its employees.

Other Income Benefits That Do Not Reduce Monthly Benefits

Income from certain sources will not reduce your monthly disability benefits under this plan.

Your benefits under the long term disability coverage will not be reduced by the amount of benefits you were receiving from the following sources, if you were receiving the income before you became disabled:

- Military and other government service pensions;
- Retirement benefits from a former employer;
- Veteran's benefits for service-related disabilities;
- Individual disability income policies; and

The amount of income or other benefits from the following sources will not reduce your disability benefits:

- Profit sharing plans;
- Thrift or savings plans;
- 401(k) plans;
- Keogh plans;
- Employee stock option plans;
- 403 (b) Tax-sheltered annuity plans;
- 457 deferred compensation plans;
- Severance pay;
- Individual disability income policies; or
- Individual retirement accounts (IRAs).

**What Happens When Other Income Benefits Increase** *(GR-9N 06-070-01)*

An increase in other income benefits that you are eligible for may affect your benefit payable under this coverage.

If your other income benefits increase as the result of one of the following situations, the increased amount will be considered when calculating your benefits payable:

- The number of people in your family changes;
- Your benefit level is adjusted or corrected; or
- The severity of your disability changes.

This may result in a reduction in benefits payable.

A cost of living increase in other income benefits you receive from a governmental source (including, but not limited, to benefits under the Federal Social Security Act) will *not* reduce your benefits payable.

A cost of living increase in other income benefits you receive from a non-governmental source will *not* affect your benefits payable to the extent that the increase is based on the annual average increase in the Consumer Price Index.

**How Aetna Applies Other Income Benefits** *(GR-9N 06-075 02)*

**Long Term Disability**

Any lump sum or periodic payments you receive from any other income benefit are prorated on a monthly basis over the period of time for which the payment was made. If a period of time is not indicated, Aetna will prorate the payments over a reasonable period of time. Aetna will take into account the expected duration of your disability payments and other relevant factors.

The part of a lump sum or periodic payment you receive for disability will be counted as an other income benefit, even if it is not specifically allotted or identified as such. If there is no proof acceptable to Aetna as to what that part is, Aetna will consider 50% to be payable for your disability.

Any of these other income benefit payments that date back to a prior date may be allocated on a retroactive basis. If the other income benefits are automobile no-fault wage replacement benefits or disability payments which result from a disability caused by a third party, the applicable period of time will start from the date of the accident.
Estimate of Other Income Benefits

Aetna will estimate other income benefits for which you appear to be eligible, unless you sign and return a reimbursement agreement to Aetna. The reimbursement agreement includes your promise to repay Aetna for any overpayment of benefits made to you as a result of your receipt of other income benefits. If other income benefits are estimated, your monthly benefit will be adjusted when Aetna receives proof:

- Of the exact amount paid or awarded; or
- That benefits have been denied after review at the highest administrative level.

If estimating your other income benefits results in an underpayment, Aetna will pay you the difference between the underpayment and the benefit payable. If there is an overpayment, you must repay Aetna the difference between all overpayments and the benefit payable. If Aetna must take legal action to recover such overpayment, you also must pay Aetna’s reasonable attorneys fees and court costs, if Aetna prevails.

Aetna Requires Proof of Other Income (GR-9N-06-080 01)

Aetna may require proof:

- That you, your spouse, child or dependent has applied for all other income benefits that you or they are or may be eligible to receive because of your disability, and has made a timely appeal of any denial of benefits through the highest administrative level. "Timely appeal" means making the appeal in the time required, but never more than 60 days after the latest denial.
- That the person applying for other income benefits has furnished the necessary proof needed to obtain other income benefits, which include, but is not limited to, workers’ compensation benefits;
- That the person has not waived (given up his or her right to) any other income benefits without Aetna’s written consent;
- That the person has sent Aetna copies of documents showing the effective dates and amounts of other income benefits.
- Of income you receive from any work for pay or profit.

If you apply for Social Security benefits and are denied, you must request reconsideration within 60 days after the denial unless Aetna states, in writing, that you are not required to do so. If the reconsideration is denied, you must apply for a hearing before an administrative law judge within 60 days of the denial, unless Aetna waives this requirement.

You do not have to apply for:

- Retirement benefits paid only on a reduced basis; or
- Disability benefits under a group life insurance plan, if the disability benefits would reduce the amount of your group life insurance.

However, if you apply for and receive these benefits, they will be considered as other income benefits and you must provide proof to Aetna, if requested.

If you do not provide the proof that Aetna may require, Aetna has the right to suspend or adjust this plan's benefits by the estimated amount of the other income benefits.

Exclusions That Apply to Long Term Disability (GR-9N 28-010 02-CT)

Long term disability coverage does not cover any disability on any day that you are confined in a penal or correctional institution for conviction of a criminal act or other public offense. You will not be considered to be disabled, and no benefits will be payable.

Long term disability coverage also does not cover any disability that:

- Is due to insurrection, rebellion, or taking part in a riot or civil commotion.
- Is due to intentionally self-inflicted injury (while sane or insane).
- Is due to war or any act of war (declared or not declared).
- Results from your commission of, or attempting to commit a criminal act.
- Results from a motor vehicle accident caused by operating the vehicle while you are under the influence of alcohol. A motor vehicle accident will be deemed to be caused by the use of alcohol if it is determined that at the time of the accident you were:
  - Operating the motor vehicle while under the influence of alcohol at a level which meets or exceeds the level at which intoxication would be presumed under the laws of the state where the accident occurred. If the accident occurs outside of the United States, intoxication will be presumed if the person's blood alcohol level meets or exceeds .08 grams per deciliter.

As used above:
"Taking part in a riot" means taking part in any form of public violence, disorder, or disturbance of the peace. At least 3 people must be involved. They do not have to be acting with a common intent. Damage to persons or property or unlawful acts do not have to be intended or result.
"Taking part in a civil commotion" means taking part in any wild or irregular action of an assembly of people which disturbs the civil order.

**How Prior Coverage Affects Coverage Under This Plan (GR-9N 06-085 02)**

If the coverage of any person under this plan replaces any prior coverage of the person, the following will apply.

"Prior Coverage" is any plan of group LTD coverage that has been replaced by coverage under part or all of this plan.

It must have been sponsored by your Employer who is participating in this plan. The replacement can be complete or in part for the eligible class to which you belong. Any such plan is prior coverage if provided by another group insurance plan.

Your coverage under this Plan replaces and supersedes any prior coverage. It will be in exchange for everything under such prior coverage, except that no benefit will be payable under this plan as to a particular period of disability if:

- You are receiving, or eligible to receive, benefits for that disability under the prior coverage; or
- In the absence of coverage under this plan, you would have been eligible to receive benefits for that disability under the prior coverage.

**Same or Related Causes of Disability**

Any disability that began before you were covered under this LTD plan will not be included for purposes of the *If You Become Disabled Again (Successive Disabilities)* section of this plan. However, if you meet all of the following conditions, the elimination period under this plan will apply to the extent it would have applied under the terms of the prior coverage had it remained in force:

- You had prior coverage on the day before LTD coverage took effect; and
- You became covered for this LTD plan on the date it takes effect; and
- While you are insured under this plan, a disability starts that is due to the same *illness, injury* or disabling pregnancy related condition for which you received or were eligible to receive benefits under the prior coverage; and
- There are no benefits available under the terms of the prior coverage for this disability due to the same *illness, injury* or disabling pregnancy related condition, the Elimination Period under this plan will apply to the extent it would have applied under the terms of the prior coverage had it remained in force.

Where the above paragraph applies, the amount of monthly benefit and the maximum period for which benefits will be payable, as to a disability due to the same or related causes, will be as provided in this LTD plan.
Pre-existing Conditions
As stated earlier, no benefits will be payable, as to a disability caused by a pre-existing condition. However if:

- You had prior coverage on the day before LTD coverage took effect; and
- You became covered for this LTD plan on the date it takes effect;

a benefit may be payable if a continuous period of coverage under the prior coverage and this LTD plan are equal to the lesser of:

- 12 months and;
- Any period of limitation as to a pre-existing condition remaining under the prior coverage.

Where the exclusion no longer applies, the amount of monthly benefit and the maximum period for which benefits will be payable, as to a disability caused by such pre-existing condition, will be as provided in this LTD plan.

In no event will:

- A benefit be payable as to a disability caused by a pre-existing condition, if the disability is excluded by any other terms of this LTD plan.
- A condition will be considered to be a pre-existing condition under this LTD plan if it was not a pre-existing condition under the prior coverage.

Additional Benefits
(GRN 06-095 01)

Survivor Benefit (GRN 06-090 01)
If you die while disabled, a single, lump sum benefit will be paid under this provision if:

- There is an eligible survivor as defined below; and
- A monthly benefit was payable under this plan.

The benefit amount will be 3 times the monthly benefit, not reduced by other income benefits, for which you were eligible in the full month just before the month in which you die.

If you die before you are eligible for one full monthly benefit, however, the benefit will be 3 times the monthly benefit, not reduced by other income benefits for which you would have been eligible if you had not died, for the first full month after the month in which you die.

An eligible survivor is:

- Your legally married spouse at the date of your death.
- Your sole domestic partner.
- If there is no such spouse or domestic partner, your biological or legally adopted child who, when you die:
  - is not married; and
  - is depending on you for support; and
  - is under age 25. This age limit will not apply if the child is not capable of self-sustaining employment because of mental or physical handicap which existed prior to age 25.

A domestic partner will be determined to be an eligible survivor if you have completed and signed a "Declaration of Domestic Partnership", and the Declaration is acceptable to your Employer.

A domestic partner will no longer be considered to be an eligible survivor as the date of termination of the domestic partnership. In that event, you should provide your Employer with a completed and signed "Declaration of Termination of Domestic Partnership".
How the Survivor Benefit Will Be Paid
The benefit will be paid to your eligible surviving spouse or domestic partner, if any. Otherwise, it will be paid in equal shares to your eligible surviving children.

If monthly benefit payments are made in amounts greater than the monthly benefits that you are entitled to receive, Aetna has the right to first apply the survivor benefit to any such overpayment.

Aetna may pay the benefit to anyone who, in Aetna’s opinion, is caring for and supporting the eligible survivor; or if proper claim is made, Aetna may pay the benefit to an eligible survivor’s legally appointed guardian or committee.

When Coverage Ends (GR-9N:30-005-05 CT) (GR-9N 30-005 HRPA-CT)

Coverage under your plan can end for a variety of reasons. In this section, you will find details on how and why coverage ends, and how you may still be able to continue coverage.

When Coverage Ends For Employees (GR-9N:30-005-05 CT)
Your coverage under the plan will end if:

- The plan is discontinued;
- You voluntarily stop your coverage;
- The group policy ends;
- You are no longer eligible for coverage;
- You do not make any required contributions;
- You become covered under another plan offered by your employer;
- Your employment stops for any reason, including job elimination or being placed on severance. This will be the date you stop active work. However, if premium payments are made on your behalf, Aetna may deem your employment to continue, for purposes of remaining eligible for coverage under this Plan, as described below:
  - If you are not actively at work due to illness or injury, your coverage may continue, until stopped by your employer, but not beyond 12 months from the start of the absence.
  - If you are not actively at work due to temporary lay-off, your coverage will stop on the last full day you are actively at work before the start of the lay-off.
  - If you are not actively at work due to leave of absence, your coverage may continue until stopped by your employer, but not beyond 12 months from the start of the absence.

It is your employer’s responsibility to let Aetna know when your employment ends. The limits above may be extended only if Aetna and your employer agree, in writing, to extend them.

Reinstating Coverage (GR-9N 30-003 01 CT)

If your long term disability coverage ends, you may reinstate coverage subject to the rules described in the When your Coverage Begins section.

However, if your coverage ends because you stop active work, you may reinstate coverage without having to complete a new eligibility probationary period, if you return to active work in an Eligible Class within 24 months of the date your coverage ended.

In addition, if you return to work in an Eligible Class within 6 months of the date your coverage ended, the pre-existing condition rule applies to the extent the rule would have applied if your coverage had not ended.
Extension of Benefits (GR-9N-31-020-01-CT)

Coverage for Long Term Disability Benefits
If your long term disability coverage ends during a period of total disability which began while you had coverage, any long term disability benefits will be continued until your benefit eligibility ends.
General Provisions

Physical Examinations and Evaluations

**Aetna** will have the right and opportunity to have a physician of its choice examine any person who is requesting certification or benefits for new and ongoing claims. Multiple exams, evaluations and functional capacity exams may be required during your disability for an ongoing claim. This will be done at all reasonable times while certification or a claim for benefits is pending or under review. This will be done at no cost to you.

Legal Action

No legal action can be brought to recover payment under any benefit after 2 years from the final decision date of your last appeal decision, but not later than 3 years from the date your eligibility for disability benefit was first denied.

**Aetna** will not try to reduce or deny a benefit payment on the grounds that a condition existed before your coverage went into effect, if the loss occurs more than 2 years from the date coverage commenced. This will not apply to conditions excluded from coverage on the date of the loss.

Confidentiality

Information contained in your medical records and information received from any provider incident to the provider patient relationship shall be kept confidential in accordance with applicable law. Information may be used or disclosed by **Aetna** when necessary for the operation of the plan and administration of this Booklet-Certificate, or other activities, as permitted by applicable law. You can obtain a copy of **Aetna’s** Notice of Information Practices at www.aetna.com.

Additional Provisions

The following additional provisions apply to your coverage:

- You cannot receive multiple coverage under the plan because you are connected with more than one employer.
- In the event of a misstatement of any fact affecting your coverage under the plan, the true facts will be used to determine the coverage in force.
- This document describes the main features of the plan. Additional provisions are described elsewhere in the group policy. If you have any questions about the terms of the plan or about the proper payment of benefits, contact your employer or **Aetna**.
- Your employer hopes to continue the plan indefinitely but, as with all group plans, the plan may be changed or discontinued with respect to your coverage.

Assignments

Coverage may be assigned only with the written consent of **Aetna**. To the extent allowed by law, **Aetna** will not accept an assignment to an out-of-network provider, including but not limited to, an assignment of:

- The benefits due under this group insurance policy;
- The right to receive payments due under this group insurance policy; or
- Any claim you make for damages resulting from a breach or alleged breach, of the terms of this group insurance policy.
Misstatements (GR-9N-32-005-02-CT)

If any fact as to the Policyholder or you is found to have been misstated, a fair change in premiums may be made. If the misstatement affects the existence or amount of coverage, the true facts will be used in determining whether coverage is or remains in force and its amount.

All statements made by the Policyholder or you shall be deemed representations and not warranties. No written statement made by you shall be used by Aetna in a contest unless a copy of the statement is or has been furnished to you or your beneficiary, or the person making the claim.

Aetna’s failure to implement or insist upon compliance with any provision of this policy at any given time or times, shall not constitute a waiver of Aetna’s right to implement or insist upon compliance with that provision at any other time or times. This includes, but is not limited to, the payment of premiums. This applies whether or not the circumstances are the same.

Incontestability (GR-9N-32-005-02-CT)

During the first two years that your insurance is in force, any statement that you have made may be used by Aetna in contesting the validity of that coverage. This also applies to any increase in your coverage for the two years that follow the effective date of that increase, if evidence of good health was required in order for the increase to take effect.

Once coverage (including any increases in coverage) has been continuously in effect for two years, the validity of your insurance (or increase in coverage) under this plan shall not be contested by Aetna unless your statement was in writing on a form signed by you and was fraudulently made in order to obtain that coverage or increase.

Aetna may also contest the validity of your insurance at any time under this plan for non-payment of premiums when due.

Subrogation

To the extent permitted by Law

As used herein, the term “Third Party,” means any party that is, or may be, or is claimed to be responsible for illness or injuries to you that caused your disability. Such illness or injuries are referred to as “Third Party Injuries.” “Third Party” includes any party responsible for payment of benefits for loss of time or wages as a result of Third Party Injuries.

By accepting benefits under this plan, you specifically acknowledge Aetna’s right of subrogation. When this plan pays benefits for disabilities incurred due to Third Party Injuries, Aetna shall be subrogated to your right of recovery against any party to the extent of all benefits provided by this plan. Aetna may proceed against any party with or without your consent.

By accepting benefits under this plan, you or your representatives further agree to:

- Notify Aetna within 45 days and in writing when notice is given to any party, including an insurance company or attorney, of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party Injuries sustained by you;
- Cooperate with Aetna and do whatever is necessary to secure Aetna’s rights of subrogation and recovery under this Booklet-Certificate;
- Give Aetna a first-priority lien on any recovery, settlement, or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with Third Party Injuries provided by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement);
- Pay, as the first priority, from any recovery, settlement judgment, or other source of compensation, any and all amounts due Aetna as recovery of the full cost of all benefits associated with Third Party Injuries paid by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by Aetna in writing; and
- Do nothing to prejudice Aetna’s rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits paid by the plan;
- Serve as a constructive trustee for the benefits of this plan over any settlement or recovery funds received as a result of Third Party Injuries.

Aetna may recover full cost of all benefits paid by this plan under this Booklet-Certificate without regard to any claim of fault on your part, whether by comparative negligence or otherwise.

**Reporting of Claims** *(GR-9N-32-020-01)*

You are required to submit a claim to Aetna in writing. Claim forms may be obtained from Aetna. Follow the procedure chosen by your Employer to report a disability claim to Aetna. If the procedure requires that claim forms be submitted, you may obtain them from your employer or Aetna.

Your claim must give proof of the nature and extent of the loss. You must furnish true and correct information as Aetna may reasonably request. At any time, Aetna may require copies of documents to support your claim, including data about employment. You must also provide Aetna with authorizations to allow it to investigate your claim and your eligibility for and the amount of work earnings and other income benefits.

In addition to the above: if you must be out of work because you are disabled, a claim for a Long Term Disability Benefit should be made right away. Do not wait until you go back to work. This may delay payment of benefits. At any time, Aetna may require copies of documents to support your claim, including data about employment and any other income benefits.

The deadline for filing a long term disability claim is 90 days after the end of the elimination period, if any.

If, through no fault of your own, you are not able to meet the deadline for filing a claim, your claim will still be accepted if you file as soon as possible. Unless you are legally incapacitated, late claims will not be covered if they are filed more than one year after the deadline.

**Payment of Benefits** *(GR-9N-32-025-04)*

Benefits will be paid as soon as the necessary proof to support the claim is received. Written proof must be provided for all benefits.

Long Term Disability benefits will be paid at the end of each calendar month during the period for which benefits are payable. Long Term Disability benefits for a period less than a month will be prorated. This will be done on the basis of the ratio, to 30 days, of the days of eligibility for benefits during the month.

**Recovery of Overpayments**

**Long Term Disability Coverage**

If payments are made in amounts greater than the benefits that you are entitled to receive, Aetna has the right to do any one or all of the following:

- Require you to return the overpayment on request;
- Stop payment of benefits until the overpayment is recovered;
■ Take any legal action needed to recover the overpayment; and
■ Place a lien, if not prohibited by law, in the amount of the overpayment on the proceeds of any other income, whether on a periodic or lump sum basis.

If the overpayment:

■ Occurs as a result of your receipt of “other income benefits” for the same period for which you have received a benefit under this plan; and
■ To obtain such “other income benefits”, advocate or legal fees were incurred;

This Plan will exclude from the amount to be recovered, such advocate or legal fees; provided you return the overpayment to the plan within 30 days of the plan's written request for the overpayment. If you do not return the overpayment to this plan within such 30 days, such fees will not be excluded; you will remain responsible for repayment of the total overpaid amount.

Examples of “other income benefits” are:

■ Workers' compensation.
■ Disability payments made by, or on behalf of, a third party as a result of any person's action or inaction.

Any unpaid balance (at the end of Aetna's liability as to Long Term Disability) will be paid within 30 days of receipt by Aetna of the due written proof.

Aetna may pay up to $1,000 of any other benefit to any of your relatives whom it believes are fairly entitled to it. This can be done if the benefit is payable to you and you are a minor or not able to give a valid release. It can also be done if a benefit is payable to your estate.

**Contract Not a Substitute for Workers’ Compensation Insurance**

(Gr-9N-32-030-01)

The group policy is not in lieu of and does not affect workers' compensation benefits. However, any workers' compensation benefits are considered other income benefits.

1) If you are paid on an annual contract basis, your monthly salary is based on your annual contract divided by 12.
2) If you are paid on an hourly basis, the calculation of your monthly wages is based on your hourly pay rate multiplied by the number of hours you are regularly scheduled to work per month; but not more than 173 hours per month.
3) If you do not have regular work hours, the calculation of your monthly salary or wages is based on the average number of hours you worked per month during the last 12 calendar months (or during your period of employment if fewer than 12 months); but not more than 173 hours per month.

ERISA Rights
As a participant in the group insurance plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974. ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits
Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) that is filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), and an updated Summary Plan Description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries
In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in your interest and that of other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights
If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to $ 110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

If it should happen that plan fiduciaries misuse the Plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions
If you have any questions about your Plan, you should contact the Plan Administrator.

If you have any questions about this statement or about your rights under ERISA, you should contact:

- the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory; or

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
Continuation of Coverage During an Approved Leave of Absence Granted to Comply With Federal Law

This continuation of coverage section applies only for the period of any approved family or medical leave (approved FMLA leave) required by Family and Medical Leave Act of 1993 (FMLA). If your Employer grants you an approved FMLA leave for a period in excess of the period required by FMLA, any continuation of coverage during that excess period will be subject to prior written agreement between Aetna and your Employer.

If your Employer grants you an approved FMLA leave in accordance with FMLA, your Employer may allow you to continue coverage for which you are covered under the group contract on the day before the approved FMLA leave starts.

At the time you request the leave, you must agree to make any contributions required by your Employer to continue coverage. Your Employer must continue to make premium payments.

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date your Employer determines your approved FMLA leave is terminated.
- The date the coverage involved discontinues as to your eligible class.

If you return to work for your Employer following the date your Employer determines the approved FMLA leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved FMLA leave provided you make request for such coverage within 31 days of the date your Employer determines the approved FMLA leave to be terminated. If you do not make such request within 31 days, coverage will again be effective under the group contract only if and when Aetna gives its written consent.
