

***Now is the Time...***

***... to convert your group accidental death insurance to an individual policy.***

This document outlines the conditions under which a person no longer eligible for insurance under a Life Insurance Company of North America (LINA) Group Policy may convert to an individual policy affording Accidental Death and Dismemberment (AD&D) benefits . . . including Family coverage.

***Take advantage of this opportunity NOW!***

# ***Now is the Time!***

## ***Because...***

*YOU UNDERSTAND* the value of Accident Insurance. You've been enrolled in a Plan of LINA Group Accident Insurance, secure in the knowledge that your family will have the advantage of financial assistance in the event an accident results in death or dismemberment.

## ***Because...***

*WE UNDERSTAND* your interest in continuing Your Accident Insurance Protection without interruption. LINA is providing this opportunity to convert all or part of your current AD&D benefit, when your group coverage terminates because you have ceased to be eligible, you have terminated employment with the policyholder, or the group policy has been cancelled.

## ***Because...***

*IT'S EASY TO CONVERT TO INDIVIDUAL COVERAGE.* You can secure a new, individual LINA accident insurance policy, without medical certification, for yourself—and for your eligible family members, *whether or not they were insured under your previous group policy.*

You simply apply within 31 days after your group insurance terminates, and pay the premium for a new LINA policy at the rate in effect for your attained age and occupation. Just forward the completed application, along with your check. You can provide continued peace of mind to yourself and your family.

You can provide continued peace of mind to yourself and your family. You can easily convert your group accident insurance to individual accident coverage. ***Now is the time!***

### ***Your Converted Policy***

Will be effective on the date your group insurance terminates or on the date of your application, whichever is later. The insurance pays for loss caused by, and occurring within one year after, an accident:

#### ***Loss of***

Life .....	Principal Sum
Two or more members* .....	Principal Sum
One member .....	One-Half Principal Sum
Thumb and index finger of same hand .....	One-Quarter Principal Sum

\*"Member" means hand, foot or eye.

Only one amount, the largest to which you are entitled, is payable for all losses resulting from one accident.

### ***Family Plan***

Under the Family Plan, you may insure your family members as follows:

Your spouse under age 70, and your dependent child/ren (including step, foster and legally adopted children—and children whose adoption procedures are pending)—under 19 years of age...or until age 25, if they are full-time students, dependent on you for support and maintenance. Coverage will be extended for any dependent child who, upon reaching the stated maximum age, is mentally or physically incapable of self-sustaining support and who is dependent upon you for support and maintenance.

## Selection of Your Principal Sum

If you were previously insured for less than \$25,000, you may select the Principal Sum of \$25,000.

If the amount for which you were previously insured appears in the PREMIUM SCHEDULE, you may select that amount or any lower amount shown, but not less than \$25,000.

If the amount for which you were insured does not appear on the PREMIUM SCHEDULE, you may select either a lower figure or the next higher figure. (For example, if you were insured for \$65,000 and want a higher amount, you may select \$75,000.)

If you insure your spouse and/or dependent child/ren under the Family Plan, the amount of insurance applicable to members of the family is based on the composition of the family at the time of loss, and is expressed as a percentage of your Principal Sum, as follows:

- 1) At time of loss the family consists of You, Your Spouse and Dependent Children  
Employee ..... 100%  
Spouse ..... 40%  
Each Child ..... 10%
- 2) At time of loss the family consists of You and Your Spouse but NO Dependent Child/ren  
Employee ..... 100%  
Spouse ..... 50%
- 3) At time of loss the family consists of You and Your Dependent Child/ren but NO Spouse  
Employee ..... 100%  
Each Child ..... 15%

**Example:** Under the Family Plan, you elect \$100,000.  
The family consists of you, your spouse, and three children.

Your Amount .....	\$100,000.00
Your Spouse's Amount .....	40,000.00
Each Child's Amount .....	10,000.00

## Limitations and Exclusions

The policy does not pay for loss caused by intentionally self-inflicted injuries; suicide (in Missouri, while sane); act of war, declared or undeclared; loss resulting from accidents occurring while serving on full-time duty in the Armed Forces (premium will be prorated and returned for such period); commission of a felony by an insured; sickness, disease or infirmity.

Air travel is included while the insured person is traveling *as a passenger only*, in any plane, including MAC (Military Airlift Command) or similar service of another country—but excluding travel in experimental or testing aircraft, or aircraft designed for use beyond the earth's atmosphere; hang gliding; parachuting (except for self-preservation); and while serving as a pilot, crewmember, or student taking a flying lesson, in any aircraft.

## General Information

The policy is renewable with Company consent until you reach age 70. The Company may change renewal premium rates only on a class basis, not on an individual basis.

You may cancel at any time after the policy's original term.

If you are insured under more than one LINA group contract with your present employer, you may convert each but a separate application should be completed for each conversion.

**Note:** This individual insurance is not available if the Company has already issued you an individual AD&D policy converted from a previous employer's plan.

## Your Costs

The rates shown below are for persons in Class I Occupational Classifications—i.e., individuals who are engaged in the less hazardous occupations such as executives, managers, salesmen, accountants, lawyers, physicians, surgeons. If your occupation falls into a more hazardous classification, LINA, upon receipt of your application, will inform you of the rates that apply.

If your occupation changes to one more hazardous than is covered by the premium charged, payment for loss occurring thereafter will be for that amount which the premium paid would have purchased. If your occupation changes to one less hazardous, the premium will be reduced and any unearned amount will be returned.

Select your Principal Sum and its appropriate annual premium. If you wish to pay the premium semiannually or quarterly, please note:

For a selected Principal Sum of \$50,000 or more, you may pay the premium semiannually by dividing the annual premium by 2.

For a selected Principal Sum of \$100,000 or more, you may pay the premium quarterly by dividing the annual premium by 4.

**Example:** If at age 55, you select \$100,000 of coverage for yourself with family coverage, Total Quarterly Premium for *You and Your Family* = \$45.00.
