2. Graduate courses may not be audited.
3. Hartt School Community Division offers non credit programming in music, theater and dance for all ages. For more information call 860.768.4451 or visit hartford.edu/hcd.
Address Changes
Changes in current or permanent (home) addresses should be reported to the Student Administrative Services Center (SASC) as soon as the new address is known.

Audit Policy
Individuals with special educational interests, who do not desire academic credit, may audit a variety of University courses up to a maximum of 24 credit hours. No grade or credit is given for an audited course, but standard registration procedures must be followed. See Registration Summary.

To take advantage of special audit fees, part-time students must declare audit status when they register. Enrollment is on a space-available basis. Certain courses, including laboratory, Hartt, graduate and non-credit courses may not be audited. In addition, the University, department chairs, and individual instructors may choose to offer certain courses on a credit only basis. Audit fees are explained in the Financial Information section of this Schedule.

Canceled Courses
If a course is cancelled, the Student Administrative Services Center will officially drop you and notify you. No action is required to withdraw from canceled courses. If you do not wish to enroll in another course, you may contact the Bursar’s Office to request a refund.

Changing Your College, Degree, or Major Designation
In order to change college, degree, or major, matriculated (i.e., accepted for a degree) students must complete a Change of Curriculum Status form and obtain the required signatures as detailed on the form.

Consortium Registration Spring 2019
Under the provisions of the Hartford Consortium for Higher Education, matriculated full-time tuition-based undergraduate students may without an additional tuition charge, elect to take courses at the University of Saint Joseph and Trinity College. Selected courses are also available at Hartford Seminary, University of Connecticut Greater Hartford Campus, Capital Community College, Central Connecticut State University, Manchester Community College, Charter Oak State College, Goodwin College, and Saint Thomas Seminary. Known as cross-registration, this program offers students an opportunity to explore a variety of course offerings at another local campus. Courses completed will appear on the student’s permanent record as though taken at the University of Hartford. Consortium registration forms, registration instructions and course listings are available only online at www.hartfordconsortium.org at the time of advance registration. Laboratory and other special fees, if any, are payable to the host institution. Consortium registration for spring 2019 begins December 1, 2018. If you have any questions, concerning cross-registration contact Sandra Stevens; Registrar Administrator in the Office of the Registrar, at 860.768.4557 or contact Martin Estey, Ph.D., Executive Director of the Hartford Consortium at 860.702.3801 or at mestey@metrohartford.com.

Courses Repeated
A course normally can be retaken only once, except when a course is designed to be taken repeatedly. For courses not designed to be taken repeatedly, a student may request permission from the Academic Standing Committee (ASC) of the college offering the course to repeat a course a second time under the terms of the repeat course policy. An appeal to a college’s ASC may be made on the grounds of mitigating circumstances, and should include explanations of the circumstances, a description of their effect on performance, and discussion of the actions taken to minimize or eliminate these circumstances and their effects. In the case of repeated courses, only the grade most recently earned will be used in the computation of the student’s grade point average (GPA) and credits earned; however, the previous grade will remain on the transcript. If the grade earned for the repeat course is anything other than a grade of A through F or P, the grade initially earned for the first enrollment period will be used for calculating the grade point average.

Emergency Closing Information
It is the policy of the University of Hartford to remain open during inclement weather unless and until a determination is made to close based on an assessment of current and forecast conditions. When such a determination is made, the University will announce either a closing or delayed opening. Faculty and instructors are expected to follow the announced schedule and to conduct class when the University is open.

Continued on next page
Emergency Closings—continued

Please note that when the campus is closed preventing a class from meeting at its scheduled time, professors may opt to conduct classes or provide assignments online. Students should plan to check Blackboard and their email regularly on such days to learn of any alternate arrangements.

Changes to the University’s operating schedule are communicated through:

WEB ALERT: The University’s Web Alert System will be activated if there is an advisory. A message will appear on the University’s home page (www.hartford.edu) detailing the emergency announcement.

TELEPHONE: Dial the University’s main number (860.768.4100 from off campus, 0 from campus residences and offices), where you will hear the latest emergency information if the normal operating schedule has been altered.

FACEBOOK AND TWITTER: Updates are posted via Facebook (UniversityofHartford) and Twitter (@UofHartford).

TEXT MESSAGE NOTIFICATION: Emergency closing alerts will be sent via text message to students, faculty, and staff who have accurate cell phone numbers registered in the Self-Service Center. To confirm, visit www.hartford.edu/alert. Independent of text alerts on cell phones, all currently registered students and active employees will automatically receive emergency notifications through their official University email.

NOTICE ABOUT RADIO AND TELEVISION: Local radio and television stations provide limited information and do not offer the complete advisory available on the University’s website and main telephone number as described above. In addition, area radio stations now limit the amount of time devoted to announcing weather-related closings and may not be reading the complete list when you are listening. Please follow up on any announcements on TV or radio by checking the University’s website or by calling 860.768.4100.

WHAT IT ALL MEANS:
Under most circumstances, the University will open 30 minutes prior to the next scheduled class. Faculty and staff are not to arrive on campus prior to this announced opening time.

If it is announced that “the University will open at 10 a.m.”:
- Faculty and staff should report to campus at, and not prior to, 10:00 a.m.
- Classes will begin at 10:30 a.m.
- All classes of 90 minutes or less with a start time prior to 10:30 a.m. will not meet.
- All classes and labs longer than 90 minutes with a start time prior to 10:30 a.m. will meet beginning at 10:30 a.m. If 50 percent or more of the regular meeting time remains. (A 9:30 a.m. to noon lab would meet at 10:30 a.m. because more than 50 percent of the lab time remains.)

If it is announced that “the University will close at 2 p.m.”:
- All classes with start times at or after 2:00 p.m. will not be held.
- All classes in session at 2:00 p.m. will dismiss.
- Depending on day and time, the advisory issued may contain specific information about classes beginning just prior to the time of the University closure (such as 1:30 p.m. classes in the current example).

Online Courses
Online courses at the University are not affected by weather-related closings and will meet as scheduled.

For residential students, the Commons will remain open for dining during its regular hours (7:00 a.m. to 8:00 p.m. weekdays, 9 a.m. to 7 p.m. on weekends) when the University has closed due to severe weather.

The Sports Center will follow the operating schedule of the University and will be closed to members when the University is closed. The building will be open for residential students and team practices only.

The nature of the programs and the age of participants in the Hartt Community Division require that its closings be more closely aligned with those of the local public schools and may not reflect those of the University.

The University of Hartford Magnet School and the University High School of Science and Engineering follow Hartford Public School closing procedures.

2. **EVENING CLASSES**, meeting once a week for two or more consecutive hours, will have their final exams at their regularly assigned hours, week nights, and rooms during the examination week.

**EVENING CLASSES**, meeting twice a week, will have their final exams at their regularly assigned hours, week nights and rooms. This may necessitate the use of a two-part final exam for some classes meeting between 4:20 p.m. and 7:00 p.m. Instructors of such classes who would like to make other assignments should contact Kathy Brochu in the Academic Scheduling Office, ext. 4594.

3. **Classes with NO STANDARD TIME PATTERN** should follow the examination schedule of the pattern to which closely matches their schedule, i.e. MW 1:30-2:45 would follow the MWF 1:30 time pattern. Please contact Kathy Brochu in the Academic Scheduling Office, 860.768.4594 with any questions.

4. **Assembled Exams** are scheduled to be held on May 8, 9, 10 between 8:00-10:00 a.m.

Please note: The final exam schedule will be strictly enforced. Faculty has agreed to enforce the University policy regarding make-up exams.

**Graduation**

Students who expect to graduate in May 2019 must file an approved degree application. The deadline for submission is Thursday, February 14, 2019.

The fee for filing a degree application is $208 for graduate students and part-time undergraduates. The fee for applications received after the filing deadline is $225.

If a candidate has paid the fee and does not graduate at the end of the initial semester of eligibility, the fee will be held and credited as a payment for graduation either of the following two consecutive semesters, including the summer session. If the candidate has not completed degree requirements during this time period, no refund will be granted. The candidate will need to file a new degree application and a new fee will be charged.

**Students who submit their degree applications late may be omitted from the Commencement program, may have delays in the delivery of their diplomas, and may be unable to obtain a cap and gown for Commencement.**

Please contact Trudy McCoy at 860.768.4969 with any questions.

**Immunization Requirements**

The University of Hartford and Connecticut State Law require that students enroll who were born after 12/31/1956 have documentation of immunization on file prior to starting classes.

Continued on next page.
Immunization Requirements—continued

YOU ARE EXEMPT IF YOU ARE BORN BEFORE 12/31/1956.

The law states that all students must provide:

- Proof of 2 MMRs. (or 2 measles, 1 mumps, 1 rubella). Disease history is not acceptable.
- As of Fall 2010, all students must show documentation of 2 varicella (chicken pox) vaccine. Documentation of disease history is acceptable.

Students remaining out of compliance with these regulations will be unable to register for a second semester until their records are complete. Any questions should be directed to Student Health at 860.768.6601.

The law further requires additional immunization for those living in campus housing:

- Students living in any campus housing must also provide documentation of the meningitis vaccine. The vaccine must be administered within 5 years of living in campus housing and was administered on or after your 16th birthday.
- Please use only the immunization forms found on the Health Services website at: www.hartford.edu/health. The information must be signed by your medical provider or be on their letterhead to be accepted. If signed by a parent, guardian, or student, it is not valid.
- A physical examination is not required.
- Forms are required no later than July 15th for the fall semester and December 15th for the spring semester.
- Failure to provide the required documentation will block your ability to register, add or drop classes or move into any campus housing.

Any questions should be directed to Student Health Services at 860.768.6601.

Incomplete Work

If an undergraduate student whose work is otherwise satisfactory is unable, because of extenuating circumstances, to complete his or her work at the end of the semester, the work is reported as an incomplete (I), provided arrangements are made with the instructor in advance. Requirements for credit must be met by the end of the next regular semester or at an earlier date if one is specified. An undergraduate student in residence who has not fulfilled the requirements for the course at the time specified will receive a mandatory grade of F. A student who received an I does not register for the course again. Arrangements for course completion are to be made with the instructor assigning the grade of incomplete. Graduate students’ incomplete work is decided upon in consultation with their instructors.

Matriculation

Students who wish to be admitted into a degree program at the University must submit a formal application for admission. Students who want to enroll in an undergraduate degree program should contact the Office of Admission and Student Financial Assistance. Students who wish to be admitted into a graduate program should contact the Center for Graduate Services. If accepted into a degree program, the candidates will be subject to the degree requirements in effect at the time of their acceptance and will be assigned to an academic advisor in their major field of study. Credits earned prior to matriculation are generally applied toward the degree.

Transfer credit is limited to work completed at regionally accredited colleges or universities. To be considered for transfer credit, normally the previous studies should have been completed within the 10-year period preceding application for admission. A minimum grade of C at the undergraduate level is required for transfer credit.

Graduate students wishing to transfer credit should contact their advisor or the department chair.

Part-Time Student Policy

Part-time non-matriculated students who enroll in credit courses at the University are classified as special students. They receive full credit for the course work they successfully complete, but they are not enrolled in a degree program until they are formally accepted by the University as matriculated students. Undergraduate students are permitted to complete 15 credits on a part-time basis as non-matriculated students; for graduate students the number of credits varies. For further information contact the Center for Adult Academic Services at 860.768.4373.
Policy Change

The University reserves the right to make changes in its tuition, fees, and other costs, and in regulations, facilities, and of course offerings that it considers necessary and just; and to apply such changes to students already in attendance as well as to new students. No change in tuition fees is made retroactively, however. Courses listed in this Schedule may be cancelled if enrollment is insufficient. Students are encouraged to register early to permit appropriate planning.

Statement of Nondiscrimination

Consistent with the requirements of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, and all other applicable federal and state laws pertaining to civil rights, all as amended, the University does not discriminate on the basis of race, gender, creed, color, age, disability, sexual orientation, gender identity or expression, national or ethnic origin, veteran status or any other applicable protected status in the administration and operation of or access to its educational programs or activities, including without limitation educational policies, employment, admissions, financial aid, and other University-administered programs.

The Assistant Vice-President for Student Health and Wellness (Gengras Student Union room 307, 860.768.4260) is the individual designated to coordinate efforts by the University to comply with and carry out requirements under Section 504. The individual designated to coordinate efforts by the university to comply with and carry out requirements under Title IX is the Title IX Coordinator, Gengras Student Union room 307, 860.768.4281.

Inquiries concerning the application of Title IX, Section 504, and Title VI may be referred to the Regional Director, Office of Civil Rights, U.S. Department of Education, Boston, MA 02109.

Withdrawal Policy

The policy states that no student is permitted to withdraw from a course during the regular semester after the 10th week of class. Thereafter, a letter grade must be issued. See Academic Calendar for specific dates. To officially withdraw, you must complete a change of program form and process it at the Student Administrative Services Center. Non-attendance does not constitute withdrawal. The official withdrawal date is the date on which the written notice of withdrawal is received by the Student Administrative Services Center. Only partial credit of tuition charges is made based on the date of written withdrawal, according to the Schedule incorporated in the academic calendar.

The policy assigning plus and minus grades, or grades lower than C in graduate programs, is to be determined by the individual school or college. Grades in the A range are excellent, the B range good, the C range fair, and the D range poor. F is a failure and no credit is earned.
Financial Information

Tuition
Undergraduate students enrolled in 8.5 or fewer credits are charged on a per-credit basis according to the rates listed below. Undergraduate students enrolled in 9 to 11.5 credits will be assessed three-quarters of the full-time tuition rate, with the exception of special programs (see below). Undergraduate students taking 12 or more credits will be charged full-time tuition. Graduate students are charged on a per-credit basis (except full-time students in graduate programs in Hartt, Clinical Psychology, Engineering, Fine Arts, and special programs in the Barney School of Business).

For current tuition and fees information, go to www.hartford.edu/tuition.

Special Program Pricing
Part-time University Studies Programs (Bachelor of University Studies, Associate of Arts in Liberal Arts, Paralegal programs, and Pre-Medical Certificate) are charged on a per credit basis up to 11.5 credits.

Fees
Fees charged by the University vary based on the number of credit hours taken and registration status. Basic fee information is below; additional fee information can be found on the bursar’s website at www.hartford.edu/fees.

Audit Fee
Students who wish to take advantage of the special audit fee must declare their audit status at initial registration. The audit fee is 50% the cost of tuition. Parking and other fees are not discounted.

Graduation Fee
Students who have always studied part-time at the University of Hartford are charged this fee. If the candidate has paid the fee and does not graduate at the end of the initial semester of eligibility, the fee will be held and credited as payment for graduation during either of the following two consecutive semesters, including summer session. If the candidate has not completed degree requirements during the period, no refund will be granted, and a new fee will be charged. The fee for graduation applications received after submission deadline is $225.

Parking Fee
All students using on-campus parking lots must obtain a parking permit. The parking fee for residents living on the main campus is $470 for the full year (August 1—May commencement day). The fee for commuter students is $45 for a single semester or $75 for the full year (September 1—August 31). The fee for students living at the Asylum Avenue Campus is $100. All students must log into the Self-Service Center to register their cars and to access a copy of “Your Car on Campus” which contains the parking regulations. All students must then obtain their parking permits from the Office of Public Safety. For information, go to www.hartford.edu/publicsafety or call 860.768.7985.

Registration Fee
Each student registering for one or more credit courses is subject to a single, nonrefundable registration fee of $30 per semester. This fee is assessed whether or not the student attends class.

Technology Fee
The University assesses all students with a fee for technology, which is mandatory and nonrefundable after the start of classes. This fee supports the University of Hartford’s ongoing efforts to create and maintain technology infrastructure. Such infrastructure includes, but is not limited to, information networks, electronic information resources, computer laboratories and classrooms, and the development of technologically advanced teaching materials. This fee is charged each semester.

Resident students taking 9 or more credits ...........$230
Commuter students taking 9 or more credits .......$210
Students registered for 3 to 8.5 credits.................$96

Note: Fees are subject to change; see website for most up to date information.
University of Hartford student billing statements are delivered online. You will receive notification of a billing statement available for viewing and payment through your Hartford.edu e-mail address.

New students will receive a letter that will include a University of Hartford e-mail address and user ID number. You will be instructed to access the University of Hartford’s online Self-Service Center where you will be able to view and pay your bill. You will also be able to register parents, guardians or other third-party payers to receive billing notifications via e-mail.

Regardless of whether or not you have been billed, your financial obligation must be addressed prior to the start of classes in order for you to be cleared for attendance. Charges can be viewed in real time through the online self-service center.

**Methods of Payment**

Payments can be made by cash, check, ACH (electronic transfer), credit or debit card. MasterCard, Discover, VISA and American Express cards are accepted.

Students and authorized users can make online payments through CASHNet SMARTPAY, a third party payment processor operating under an agreement with the University of Hartford to process electronic payments. A 2.75% fee is assessed by CASHNet to process domestic credit or debit card payments on your behalf; international card payments may be assessed a higher fee. The service fee is non-refundable. There is no fee for payment by electronic check (ACH transfer).

Checks, travelers’ checks and money orders can be mailed, along with a printed copy of the top portion of your billing statement, to:

- University of Hartford
- P.O. Box 416362
- Boston, MA 02241-6362

Cash and check payments also may be made at the Student Administrative Services Center on the second floor of the Computer and Administration Center. For questions and hours call 860.768.4999.

Tuition and fees are due prior to the start of classes. Billing deadlines for full and part-time students may differ. For specific information on due dates per term, go to: www.hartford.edu/bursar. Click on Tuition and then choose the appropriate term for Payment Due Dates. Persons intending to register are encouraged to do so as early as possible and, where circumstances permit, to use the online registration options. Please note, all students are required to accept enrollment terms and conditions prior to registering for class. When the payment (due) is received prior to the start of class, persons will be listed as cleared on class rosters. They will not have to visit administrative offices to secure written clearance to attend classes.

The University partners with HigherOne to offer a payment plan. There is a $65 enrollment fee assessed by HigherOne for plan administration. The Tuition Payment Plan allows students and their families to spread their payments over a specified number of months. For information on this payment plan option, including plan deadlines, please contact the Student Administrative Services Center at sasc@hartford.edu or 860.768.4999 or contact HigherOne at 800.635.0120.

If payment is not made in accordance with University policy, a default charge of 1.5% per month will be assessed on the unpaid balance until it is paid in full.

**Refund Policy**

Non-attendance does not constitute withdrawal from courses. Requests for withdrawal must be submitted in writing to the Student Administrative Services Center (SASC). Requests are official as of the date they are received, and tuition adjustments for courses are made according to the following schedule, based on full-payment of tuition prior to withdrawal:

Refund Policy—continued

Absence from class or notification to the instructor does not constitute official withdrawal. In determining the percentage of tuition adjustment, the effective date of withdrawal will be the date the student notifies the SASC in writing rather than the last day of class attendance.

No tuition adjustments are made if a student is suspended, dismissed, or otherwise leaves the University without formally withdrawing; nor are prorated reductions made for temporary absence from class.

The registration fee is nonrefundable. Laboratory fees and the technology fee are 100% refundable through the first week or classes and nonrefundable after the first week of classes.

Withdrawals for medical reasons should be submitted to the Dean of Students Office with appropriate documentation for consideration of a pro-rata refund of housing and dining fees only. Tuition charges will be adjusted in accordance with the policy stated above. Medical withdrawals may affect the student’s financial aid. Students receiving Federal Title IV funds are subject to a separate refund calculation. Contact the University Financial Aid Office for additional information.

Financial Assistance

Part-time matriculated undergraduate students may be eligible for a Federal Pell grant and/or Federal Stafford loans. To qualify, students must complete the FAFSA online at fafsa.ed.gov using our school code 001422.

Full-time and part-time matriculated graduate students may also be eligible for Federal Stafford loans. Students must complete the FAFSA and the Graduate and Professional Aid Application, found on the Financial Aid website to qualify.

Supplemental loan programs and payment plans are also available for both undergraduate and graduate students. For further information about these and other financial aid opportunities, please visit or contact the Office of Admission and Student Financial Assistance at 860.768.4296 or at finaid@hartford.edu.

Financial Delinquency

Any student failing to pay his or her account fees with the University on or before the day they are due may be excluded from all classes, lectures, laboratories, examinations, co-curricular activities, and graduation until such payment is made. The student may also be denied grades, transcripts, diplomas, and the opportunity to register for subsequent terms if payment is not made when due or if the student’s debt to the University is discharged in bankruptcy proceedings. A default charge equal to 1.5 percent of the unpaid balance may be charged until all fees are paid in full. If, in the judgment of the University, it becomes necessary to engage the services of a collection agency or attorney to obtain payment, the student must pay an additional collection fee of 15% of the principle balance plus any attorney fees, reasonable expenses, and other costs incurred, to the maximum extent allowed by Connecticut law.

Access-Ability Services

Access-Ability Services is the disability office on campus. A student who has been diagnosed with learning disabilities, AD/HD, Autism Spectrum Disorder, acquired brain injuries, psychiatric disabilities, physical disabilities, chronic medical conditions, deafness and hearing impairments, and blindness and visual impairments registers with Access-Ability Services to access accommodations and services. Eligibility for disability support is determined on a case-by-case basis taking a variety of factors into consideration including [but not limited to] the nature and extent of the disability and the functional limitations posed by the disability.

Federal mandates require the University to provide equal access to all aspects of a University program and guarantee nondiscrimination based on disability. Legislation driving disability eligibility includes the Americans with Disabilities Act [ADA as amended] and Section 504 of the Rehabilitation Act of 1973.

At the postsecondary level, the student engages in a multi-step process of self-advocacy to request and access accommodations/services. Upon acceptance to the University and after depositing, the student submits required disability documentation to the Director of Access-Ability Services for review. Please note: accommodations do not automatically follow a student from high school to college. Documentation requirements are posted on www.hartford.edu/access-ability.

A qualified student is eligible for an Intake Interview. At this meeting, the Accommodation Letter is developed. It identifies the accommodations/services the student may access for the semester. Accommodation Letters are then emailed to each professor and the student is responsible for engaging in an individual, confidential discussion with each professor to activate the specific accommodations the student is likely to access during the semester. Accommodation Letters must be requested each semester in order to receive accommodations.

The Access-Ability Services office is located in Auerbach Hall room 209. Contact Access-Ability Services for additional information: 860.768.4312 or www.hartford.edu/access-ability.

Math and Physics Tutoring Laboratories

The lab offers free walk-in service to all full and part-time students and is open Monday through Friday. It is located in Dana Hall room 208 and is staffed by full-time faculty and upper-class undergraduate students. Schedules are posted outside the lab doors or can be accessed online at www.hartford.edu/a_and_s/departments/mathematics/tutor_lab.aspx.

Computer Science Tutoring Laboratory

The Computer Science Tutoring Lab is available free of charge to all full and part-time students. It is located in Dana Hall room 230 and is staffed by upper-class undergraduate students. Current hours are posted outside the laboratory door.
The Center for Reading and Writing

The Center for Reading and Writing, located in room L102 in the lower level of Mortensen Library, provides academic support services for students interested in refining their reading, writing, and study skills. Students can receive individual help with written composition, research skills, reading comprehension, studying, and test taking. The center’s regular hours generally are Monday through Thursday 9:30 a.m. to 4:00 p.m. and Friday 9:30 a.m. to 2:00 p.m., but each semester is different. Please call 860.768.4131 for information regarding earlier openings or occasional extended hours. Please note: extended hours are offered only when tutors are available. Call 860.768.4131 to make an appointment.

Harrison University Libraries

The Harrison University Libraries consists of the William H. Mortensen Library and the Mildred P. Allen Memorial Library. The Mortensen Library houses the general collection, special collections for Art, Judaic Studies, and the University Archives. The Allen Library, on the lower level of the Harrison Libraries, supports the programs of The Hartt School in music, dance, and the performing arts. Information about the Libraries and the collections, hours, and services is available on the Libraries’ home page: library.hartford.edu.

Administrative Information

Undergraduate Admissions

The University of Hartford regularly makes most of its courses available to individuals who wish to pursue their education on a part-time basis. The individuals may register for either day or evening courses, and most of the degree programs the University offers may be completed by students who enroll on a part-time basis.

The same high academic standards and expectations are applied to all University courses, whether they are taught during the day or in the evening. Degree requirements are essentially the same for part- and full-time students, and the credit value of a course is the same whether it is taken during the evening or day or by a part- or full-time student.

The Office of Admission and Student Financial Assistance receives all applications for matriculation into the undergraduate degree programs and determines whether or not students are accepted into the programs. It also administers the University’s financial assistance program. The office is located in Bates House, the white frame building near the north entrance to the campus. The office is open from 8:30 a.m. to 4:30 p.m. Monday through Friday. The telephone number is 860.768.4296. More information is available online at admission.hartford.edu.

Graduate Admissions

Graduate admissions, open houses, and admission advising for all schools are coordinated through the Center for Graduate and Adult Academic Services in the Auerbach Computer and Administrative Services Building, room 231. The hours for advising assistance at the Center are Monday through Thursday, 8:30 a.m. to 6 p.m. and Friday 8:30 a.m. to 4:30 p.m., or by appointment. Please check the website for operation hour changes. For more information, visit www.hartford.edu/graduate or email gradstudy@hartford.edu or call 860.768.4371.

Summer hours are 8:30 a.m. to 4:30 p.m.; call ahead for walk-in availability. To request further information, or to make an appointment, call 860.768.4287.

Computer Support Center

Located on the main level of the library, the Computer Support Center (CSC) is a free source for computer help provided by the Office of Technology Services (OTS), available to all currently registered students as well as faculty and staff. It is a resource to help those who wish to connect and use the university’s on-campus network and email system either from on campus or off, to report problems with the Network, and to get computer-related questions answered. Laser and color printing are available for a fee.

Students can call, email, or show up in person to make use of the services offered. Some services require “in-person” visits only.

CSC hours are: Monday through Thursday 8:00 a.m. to 1:00 a.m., Friday 8:00 a.m. to 5:30 p.m. Weekend support services are available in the Mortensen Library on Saturday 10:00 a.m. to 5:30 p.m., and Sunday 12:30 p.m. to 1:00 a.m. For other times, visit www.hartford.edu/ots.

These include the College-Level Examination Program (CLEP), the Defense Activity for Non-Traditional Educational Support (DANTES) program, and the Learning in Non-Credit Settings (LINCS) program. These programs help students obtain college credit for what they know and can do regardless of where their knowledge was acquired. The University of Hartford accepts up to 27 credits earned through testing. Information on CLEP and the exam equivalencies to University courses is available at the above website.

LINCS
The Learning in Non-Credit Settings (LINCS) program allows students to earn academic credit for learning that may have taken place as a result of work experience, on the job training, or independent study. To obtain credit, students must submit a portfolio for evaluation. More program information is available at the above website.

Departmental Examinations
Any school of the University may authorize an examination of its own devising or choosing for the purpose of granting credit.
