### Board Recommendation for Special Report

#### Condition 6.6: Student Financial Information

The program must demonstrate that students have access to an initial estimate for all tuition, fees, books, general supplies, and specialized materials that may be required during the full course of study for completing the NAAB-accredited degree program. The link provided has information on the tuition and fee schedule but does not provide prospective M.Arch. students with a full estimate of the cost of attendance that includes the costs of books, general supplies, and specialized materials required to complete the degree.

The url for access to this page is <https://www.hartford.edu/academics/schools-colleges/ceta/academics/department-of-architecture/master-of-architecture.aspx>. The attached table, Master of Architecture Cost Table for Web Site, will be included on the url page stated above.
